2027 INTERNATIONAL COMPETITION

YOUNG SCHOLAR TOURNAMENT

TECHNOLOGY & GLOBALISATION

A three-stage journey from schools worldwide to a ten-day championship in London.

AGES

12-17

DIVISIONS

Junior 12-14
Senior 15-17

FINAL STAGE

10 DAYS LONDON

CO-HOSTED BY

SiL Testing System
West London College

THINK GLOBALLY. SPEAK CLEARLY. BUILD WHAT COMES NEXT.

ONE TOURNAMENT. THREE STAGES.

The road to London

Progress is earned stage by stage - from an interdisciplinary preliminary to an individual themed interview, then the Global Final.

01

PRELIMINARY

JAN-MAR 2027

Multi-themed & multi-subject

RESULTS: MAR-APR 2027

A broad interdisciplinary challenge across world knowledge, English, STEM, reasoning and contemporary awareness.

02

SCHOLAR INTERVIEW

MAR-MAY 2027

Theme focus: Technology & Globalisation

RESULTS + SCHOLARSHIP: MAY-JUN 2027

An individual academic interview testing interpretation, evidence, reasoning and the ability to defend ideas clearly.

03

GLOBAL FINAL - LONDON

2027 | 10-DAY, 9-NIGHT PROGRAMME

Individual + group challenges across the London experience

TECHNOLOGY & GLOBALISATION

Finalists complete a blend of individual and collaborative tasks assessing subject proficiency, interdisciplinary knowledge and transferable skills - including critical thinking, research, creativity, communication and problem-solving.

SCHOLARSHIP **Performance-based scholarship level is announced with the interview result.**

GLOBAL FINAL | LONDON

One global final. Individual + group challenges. One all-round scholar.

The Global Final combines subject-rich individual assessment, collaborative projects, communication workshops and London-based cultural inquiry - all viewed through the 2027 theme of Technology & Globalisation.

WEST LONDON ACADEMIC BASE

LONDON AS A LIVING LABORATORY

SAMPLE GLOBAL FINAL TIMETABLE

Draft programme outline | 22-31 October 2027

Final-round tasks combine subject proficiency with communication, collaboration, creativity and knowledge application.

TWO DIVISIONS. ONE GLOBAL STAGE.

Different challenge levels. The same scholar mindset.

JUNIOR SCHOLARS AGES 12-14

- More scaffolding and guided roles
- Shorter source packs
- Focus on clarity, reasoning and academic growth

SENIOR SCHOLARS AGES 15-17

- Denser evidence and greater independence
- Longer presentation and defence
- More complex stakeholder and synthesis tasks

WHAT THE GLOBAL FINAL ASSESSES

Individual depth. Collaborative strength.

Finalists are challenged both independently and as part of a team, showing what they know, how they think, and how effectively they can apply and communicate ideas.

2027 THEME LENS: TECHNOLOGY & GLOBALISATION

I INDIVIDUAL CHALLENGES

- Multi-subject written assessment
- Final individual project
- 5-10 minute presentation

G GROUP CHALLENGES

- Collaborative Projects 1-3
- Technology-related concept development & pitching
- London cultural presentation task

MULTIPLE SKILLS & KNOWLEDGE

Subject Proficiency | Knowledge Application | Critical Thinking | Communication

Collaboration | Creativity | Research | Problem-Solving
